

# HOTSPOT™

Hop Your Bot To the Spot!

Hot Spot™ is a Mind Challenging Game designed for single players. Have fun and build your confidence as you move from Beginner to Expert challenges. When you solve a challenge, YOU WIN!

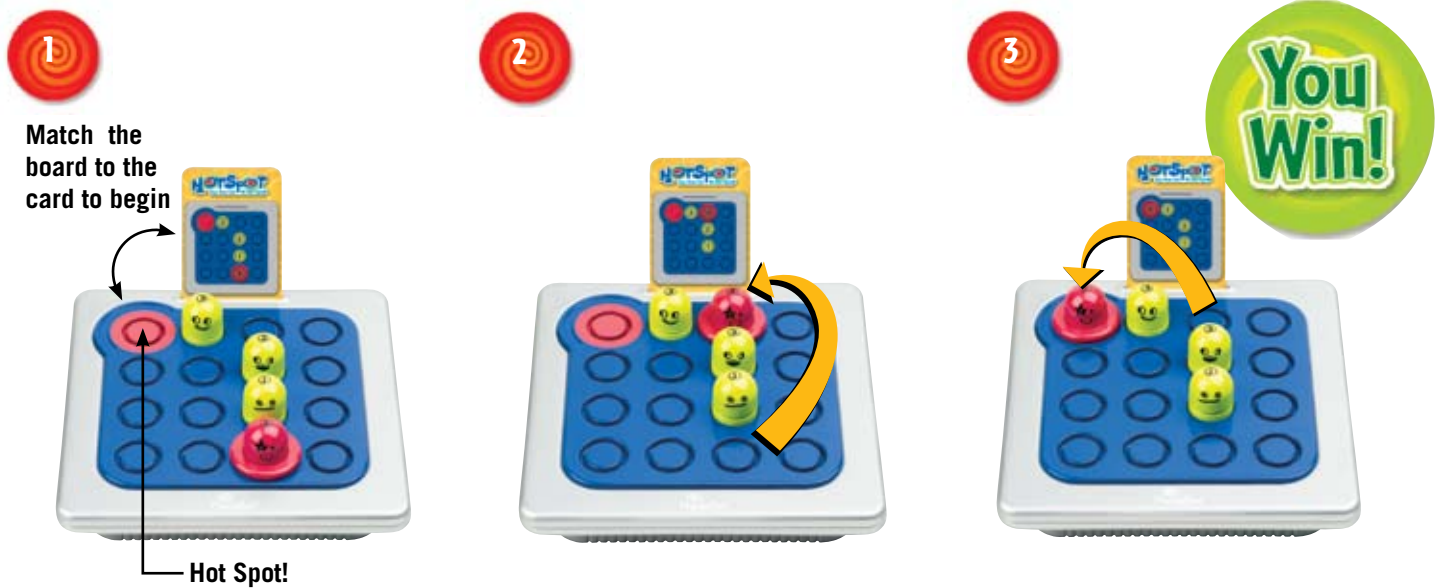

## Your Goal:

Move the Red Bot to the Hot Spot in the upper left corner of the game grid. To achieve this, hop the Bots over each other in the right order to reach the spot.

# To Play:

1. Pick a Hot Spot™ Challenge Card. Set up the Bot tokens on the game board as shown.
2. Move by hopping over other Bots on the playing board. See the “Remember” section for complete details.
3. When you hop your Red Bot to the corner Hot Spot, YOU WIN!

# Remember:

1. Bot Tokens may jump up, down or sideways on the playing board, but may not jump diagonally.

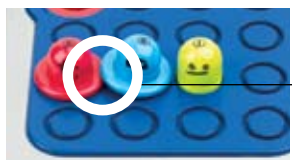

**Bot Tokens may not jump diagonally**

2. Bots may not jump over an open space.
3. Bot Tokens may jump over one or two other Bots.

4. Bots must end their jump on an open board space.
5. Large Bots may not land directly next to another large Bot.

**No overlapping of Bot skirts allowed!**
